

LTGS SERVICES

CHARTER 2025

English Version

CEO'S FORWARD

As the Chief Executive Officer of LOYAL TECHNOLOGY AND GOVERNMENT SERVICES PLC, I am honored to present our Services Charter for 2025.

This document embodies our commitment to innovation, excellence, and customer focused solutions. Over the years, LTGS Rwanda Plc has grown to become a pivotal player in delivering transformative ICT, financial, and government services in Rwanda.

Our mission is to drive digital transformation and enhance efficiency across sectors. With the establishment of our subsidiary companies and new systems, we aim to provide an integrated and comprehensive range of services that cater to the diverse needs of businesses, individuals, and the public sector. As we continue this journey, we pledge to uphold our core values of integrity, innovation, and customer centricity.

Mr. KWIZERA Enoki
Chief Executive Officer

INTRODUCTION TO THE SERVICES CHARTER

This Services Charter provides a comprehensive overview of the services, systems, programs, and schemes offered by **LTGS Rwanda Plc** and its subsidiaries.

Our charter outlines our mission to enhance efficiency and promote digital transformation in Rwanda. We operate with a strong commitment to innovation, quality, and collaboration, ensuring that our offerings meet the evolving needs of our clients and stakeholders.

Our subsidiary companies, including **LUMINARY FINANCE SERVICES GROUP LTD**, and **LTGS Print House Limited**, extend our reach into specialized domains such as education, finance, and creative services.

This integration allows us to offer end-to-end solutions across multiple sectors. Additionally, our innovative systems, such as the Imboni System(s), Webcash System(s), and other solutions system provide seamless digital services to enhance operational efficiency and accessibility.

Through programs like the **Business Digitalization Scheme**, **LTGS Agents Team Network**, and **Internal Risks Insurance Scheme**, we support small businesses and individuals in embracing digital tools, enhancing business resilience, and managing financial risks.

Our **One Stop Center** model consolidates government, financial, and IT services under one roof, simplifying access for all.

This charter is not just a reflection of our services but also a testament to our commitment to Rwanda's development.
